One should consider Italia Endurance Stables & Academy as a whole entity, with the stables being the headquarters for Fuxiateam as well as location for events, an endurance academy and breeding activities.

Italia Endurance Stables & Academy is a centre par excellence for endurance riding and one of the most important in Europe. Located in Italy, between Perugia and Lake Trasimeno, it is surrounded by the green hills of Agello village. Italia Endurance Stables & Academy is a sport and breeding project whose headquarters are in Agello, Magione near Perugia, on Via Emirati Arabi Uniti, 3.

Inspired by the vision of H. H. Sheikh Mohammed Bin Rashid Al Maktoum, the future of these facilities is endurance riding and to create opportunities for young people involved in this sport. World Team Charr Gianluca Laliscia has turned his dream, dedicated to endurance and Pure Arab horses, into reality. A new place where wellness, comfort, and quality come together, creating a harmonious relationship among people, horses and nature which is immediately perceptible.

This cutting-edge sports facility stretched over more than ten hectares, surely is destined to become an international exclusive hub for endurance riding, for breeding and above all for training and preparing horses thanks to Fuxiateam for whom growth, development and success are the base concepts.

Fuxiateam includes the Italian top Rider Costanza Laliscia – winner of the last FEI World Endurance Rank Italia Endurance Academy, with facilities to train young riders who are willing to take on their endurance experience with strong commitment, is an ambitious path, joined by trainers and professionals and focused

shape the riders of tomorrow. Italia Endurance is also a prestigious location for organizing events.

Italia Endurance Stables & Academy just launched their new website – www.italiaendurance.it – dedicated to horses, riders and the key players of the project.

The site will be all about horses and riders as well as the stories, studies and latest news. This is the evolution of www.enduranceitalia.it, which has been the go-to site for Italian endurance riding since 1998, telling the story of the team ran by Simona Zucchetto and Gianluca Laliscia and highlighting the activities of a group capable of great success in every corner of the world, confirming their leadership even outside Italy. Being able to count on the solid

foundation of twenty-one years on the web, www.italiaendurance.it is today presenting itself as a rich container of experiences and news. The website offers sections dedicated to the history of the team, the long list of victories and the key players who made them possible. The profiles of the horses are extremely detailed, the pages about the stories, passions and goals of the Fuxiateam riders, the most successful team in Italian endurance riding. Talking about endurance riding in this way becomes an enjoyable daily journal, a comprehensive experience, helping readers to discover the passions and activities of the team. www.italiaendurance.it has become a polestar for those who love horses and its sport, which continues to bring people closer to nature. Italia Endurance Stables & Academy a world to be discovered, experienced and understood in all its facets.
