VIM spa sponsor of the charity evening-event for the fight against Cancer

Perugia, 10 November 2022 – The splendid setting of the Laliscia family stable, Italia Endurance Stables & Academy in Agello, will host Saturday 12 November the usual “San Martino dinner”, organized to raise awareness of scientific research and prevention in the fight against cancer. A charity event in favor of AUCC Onlus, the Umbrian Association for the fight against Cancer which works every day to give free care, courage and support to people with cancer and their families, as well as to finance scientific research.

Conceived in an exclusive setting, which evokes a country-chic style with attention to the smallest details, the charity event, in addition to raising funds, will be an opportunity for important and constructive relationships. All internal and external spaces of Italy Endurance Stables & Academy they will be the protagonists of an original set-up capable of combining taste experiences and atmospheric sounds in a live version, during an exclusive dinner attended by very special performers: thoroughbred Arabian horses.

“Commitment to cancer research and prevention is a priority for VIM spa, so we have decided to take the field close to the AUCC and to give our contribution to win this tough battle together”. Comment like this Vincenzo Monettisole director of VIM spa, a leading company in Italy in the storage and distribution of pharmaceutical products. Awareness of opportunities and risks is essential to win every challenge, in business as in life: for this reason VIM spa is the solidarity sponsor of the AUCC’s San Martino Dinner.
