FEI
ENDURANCE
EUROPEAN
CHAMPIONSHIP
CASTIGLIONE
DEL LAGO
2025

In 2025, Umbria reaffirms itself as a **region of excellence for Endurance**, hosting the Zigulì FEI Endurance European Championship.

With the participation of the best athletes, the event will not only be a competition but also a remarkable **celebration of Umbria on an international level**.

Sports, nature, tourism: the event will follow the Endurance Lifestyle format, offering activities focused on **promoting the region and fostering public relations**.

TITLE SPONSOR

Starting with the Test Event held in 2024 in Castiglione del Lago, ZIGULÌ enthusiastically affirmed their support the Zigulì FEI Endurance European Championship 2025, strengthening its connection with the world of sport.

The iconic ZIGULÌ candy, a symbol of Made in Italy and vitamin-packed energy, is now an integral part of Falqui, acquired in 2023 by the Monetti Group.

Entrepreneur Vincenzo Monetti, CEO of Monetti Holding, immediately recognised the strategic value of combining the energy of sports with that of the brand, creating a winning synergy between Endurance and physical well-being. His visionary approach emphasised the importance of nourishing not only the body but also the spirit, as it is well known that sports always require an extra boost of energy to be fully experienced.

AN EVENT THAT UNITES EUROPE

The Ziguli FEI Endurance European Championship 2025 promises to be a **highly anticipated event**, with significant participation from across the continent. Data from past editions confirms the strong interest and importance of this event within the European sports landscape.

UMBRIA AND TRASIMENO, A STORY TO LIVE EVERYDAY

Italia Endurance Stables & Academy keeps the equestrian tradition of Umbria alive with an annual programme dedicated to sports and educational development.

In addition to organising major events such as the FEI Dubai Duty Free European Endurance Championship Open 2001 (Castiglione del Lago) and the Meydan FEI Endurance European Championship Open 2009 (Assisi), today, in Agello di Magione, this center of excellence spans over 10 hectares. It hosts state-of-the-art facilities, the Fuxiateam - a team with an outstanding record, some of the best coaches, and the Academy, open to all horse enthusiasts.

BENEFITS FOR THE TERRITORY

SPORT

- Strengthen the strong equestrian and cultural identity
- Bring Castiglione del Lago back to the center of the international sports scene
- Highlight the sporting vocation of the Trasimeno area

NATURE

- Promote the beauty and unique natural landscapes
- Raise awareness regarding environmental protection
- Promote a healthy lifestyle

TOURISM

- Create an international tourism-driven economy
- Enhance infrastructure, local specialties, and the economy
- Increase visibility on a national and global scale

OBJECTIVE 2028

Italia Endurance ASD, with the support of [sistemaeventi.it](https://www.sistemaeventi.it) srl, confirms itself as one of the most prestigious and recognised Organising Committees on an international level. The commitment dedicated to the Ziguì FEI Endurance European Championship 2025 is a concrete example of the desire to promote and enhance the extraordinary qualities of Umbria and Italy.

The close strategic collaboration with FISE - Italian Equestrian Sports Federation, represents a key element in ensuring the highest organisational quality and the success of the events, reaffirming the excellence of Italian endurance on the international stage.

For this reason, with a future oriented vision, **Italia Endurance ASD, FISE, and the Municipality of Castiglione del Lago will present Castiglione del Lago as the sole Italian candidate for the FEI Endurance World Championship 2028.**

The international experience of Italia Endurance ASD and [sistemaeventi.it](https://www.sistemaeventi.it) srl, following the European Championship in 2025, will continue with the organisation of the FEI Endurance World Championship 2026 in AlUla, Saudi Arabia, on behalf of the RCU - Royal Commission for AlUla and the SAEF - Saudi Arabian Equestrian Federation.
